

## Wills & Trusts

Since 1983 the clinic has served the community by giving hope to women facing unplanned pregnancies. We're grateful to be helped in this enduring mission by a strong community of dedicated supporters. Among this special group are thoughtful visionaries who have kindly remembered us in their wills and living trusts.

We hope you will consider joining these loyal donors by also including North Care Women's Clinic in your future plans.

### ***How to Give***

Making a gift in your will or trust can be simple. Working with your attorney, you can add gift language to your current document(s) or to an entirely new one. You also have options when considering what to give:

- You can give a specific dollar amount or property item,
- You can give a percentage of your asset(s),
- You can give all or a portion of what remains after gifts to other beneficiaries such as your families and friends have been made,
- Your gift can be contingent upon special circumstances or events.

No matter the form or the size, your legacy gift will ensure that a safe place for women facing unplanned pregnancies to find hope exists in our community for many years to come.
